Pricing Notes

- Repeat client discount = \$50 per project.
- One week laboratory turnaround time is standard. Shorter lab turnaround time is available at additional cost.
- Sampling fee does not include all day oversight of sampling. Personnel will set up samples, depart, and return later for sample collection. All day site oversight is available at additional cost.
- Sampling fee is for up to 2 hours on-site labor per job. Additional time beyond 2 hours on-site labor is charged at prevailing labor rate for personnel, charged to the nearest quarter hour.
- Sampling fee is priced for up to 1 hour drive time each way. Drive time beyond 1 hour is charged at GHSC's labor rates, charged to the nearest quarter hour.
- Overtime hours (nights, weekends) labor has a 50% surcharge.
- Holiday labor has a 100% surcharge (i.e., double).
